1. The morning of August 1 Mr. Rositzke [ ] met with members of the Board of National Estimates, selected staff members of ONE, and Mr. Ray Gline of OCI to discuss the proposals for Communism training contained in DTR memo to the DCI dated 29 May 1956. There appeared to be agreement that the Party Organization and Operations course and the proposed Strategy and Tactics course could be useful to new ONE staff members entering on duty, but not to others. There was limited interest in the suggestion for advanced seminars on selected topics, but there appeared serious reservations as to the desirability of OTR sponsoring such seminars.
